Revised Financial & Treatment Policy Effective on February 01, 2026

Thank you for choosing us as your healthcare provider. We are committed to your treatment being successful. The following is a statement of our Financial & Other Policies which we require you to read and sign prior to any treatment. Please ask if you have any questions about this policy, our fees, or your responsibility.

FEE PAYMENT AT TIME OF SERVICE: We require payment in full at the time of service unless prior arrangements have been made with our business office. We accept cash, checks, and credit cards as methods of payments. *All SELF PAY patients will be charged \$350 for new patients and \$200 for follow-up appointments. There is a \$15 administrative fee for Urine Drug Screenings (UDS).*

CREDIT LIMITS: The balance on all accounts is due in full within 30 days from the billing date. A 1.5 percent finance charge (minimum of \$5.00) will be applied to all accounts 60 days or more past due. Any balance 90 days past due will be reviewed for further collective action and may be assessed a 30%-50% service charge of the balance due. As an alternative you may provide a credit card number on the patient information sheet and we will charge all 90 day past due amounts to this account.

MISSED APPOINTMENT / LATE CANCELLATIONS: We realize that on occasion you will not be able to make a scheduled appointment. You can leave a cancellation message on our voicemail if a staff member is not available. However, please remember that this time has been reserved for you alone, so **cancellations made less than 24 hours prior to your appointment or missed appointment will be subject to a charge of \$75.**

TELEPHONE CONSULTATIONS: Phone consultations will be charged at a rate dictated as directed by the physician.

PRESCRIPTION REFILLS: there will be a \$10 dollar charge for prescriptions filled between appointment dates. **PLEASE ALLOW 48 HOURS NOTICE FOR REFILLS** and have your pharmacist send us a refill request. Our fax number is 630-898-0984. *There will be a \$10 charge for duplicate scripts.*

CONFIDENTIALITY AND RELEASE OF RECORDS: All information regarding patients is considered strictly confidential and will not be given out to anyone without your written consent. In the event of request for "transfer records," the records will be forwarded upon completion of a consent form and minimum payment of \$25.

PREPARATION OF FORMS AND REPORTS: These require chart review and often discussion with the client. There will be a minimum charge of \$25 and up to a maximum of \$200 per hour.

LITIGATION RELATED SERVICES: Services related to litigation, e.g. communication with attorneys, depositions, and a variety of such services, are not covered by insurance. Our charges are \$200 per hour prior to such services being rendered.

INSURANCE BILLING: We will file your claim as a courtesy to you with your Primary Insurance Carrier. We are not responsible for collecting your insurance claim or for negotiating a settlement on a disputed claim. It remains your responsibility to pay any deductibles, co-payments, or other amounts your carrier determines as payable by you. If your insurance carrier has not paid for our services within a 60 day period, you will be expected to pay your balance in full, and you may collect from your carrier if you desire.

YOUR ROLE IN PROVIDING ACCURATE INFORMATION AND CERTIFICATION / AUTHORIZATION FOR INSURANCE

BILLING: It is your responsibility to "Pre- Certify" your initial visit and to know your plan's limitations, deductibles, and exclusions. To this effect we will provide you as a *courtesy* with an Insurance Verification and Authorization Form and request that you directly contact your insurance carrier to provide us with the information requested on the form. If this information is later determined to be inaccurate, resulting in denial of your claim, then you will be responsible for the full amount denied by your carrier.

I understand that my/ my child's _____ care can be terminated in the following circumstances: 1.) If we miss two appointments in a row without informing the office, or 2.) If we are not seen within 4 weeks of my/our last scheduled appointment or as determined otherwise by the provider.
